CORPORATE STATEMENT OF ECOVADIS CERTIFICATION

EcoVadis is the world's most trusted provider of business sustainability ratings, intelligence, and collaborative performance improvement tools for global supply chains. Backed by a powerful technology platform and a global team of domain experts,

EcoVadis provides holistic sustainability ratings that cover a range of systems including environmental, labor and human rights, ethics, and sustainable procurement. To date, EcoVadis has rated over 75,000 partners worldwide across 150 categories which include some of the world's largest organizations while positively impacting the environment and fostering transparency.

Bell was recently awarded a silver medal in recognition of sustainability achievements by EcoVadis after successful completion of the audit at our global headquarters in Northbrook, Illinois. Our sustainability performance scored above industry and regional benchmarks.

EcoVadis relies on 7 Principles to evaluate our company's commitment and performance towards sustainability.

1. Evidence Based
2. Industry Sector, Country and Size Matter
3. Diversification of Sources
4. Technology Is a Must
5. Assessment by International CSR Experts
6. Traceability & Transparency
7. Excellence through Continuous Improvement

By utilizing EcoVadis tools and assessments, Bell Flavors & Fragrances is committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain. Using Sedex tools and services helps our company improve our responsible business practices.
