

Bell Spring & Summer Seasonal Trends

Bell's unique fragrances and botanicals have the ability to define products aesthetically, functionally and to distinguish brands. Whether it's from the bottle, in-use or providing all-day freshness, we provide creations that consumers will fall in love with over and over again.

CONCEPT HIGHLIGHTS

How Bell Can Support Your Fragrance Needs:

Fragrance Expertise

Through innovation, creativity and technology our perfumers build creative expressions that bridge art and science to deliver consumer delight and create brand olfactive DNA.

Naturals & Botanicals

Our passion at Bell Flavors & Fragrances has been to create customized natural fragrances and botanical extracts that captivate the essence of nature.

Trend/Market Data

Our seasoned team of Marketing Specialists can provide the latest in market insights and lifestyle trends.

Performance

Whether it's raw material studies, unique fragrance delivery systems, malodor neutralization or driving attributes such as moisturization, Bell offers customized solutions to maximize consumer fragrance impressions.
