Orchard Fruit Flavor Collection

Aromas and flavors play an important role in the quality and differentiaion of horticultural crops. While exoctic fruits may entice consumers, classic true-to-fruit flavors are among the most cherished and naturally complex profiles found in nature.

Ripe Pear

Juicy and soft with notes of floral green peel and earthy honey

Yellow Raspberry

Golden colored berry with hints of honeyed apricot and berry

Orange

Sun ripened, juicy orange

Kiwiberry

Grape-sized fruit that combines flavors of kiwi, grape, melon, and banana

Aronia Berry

Tangy and sweet, this berry is often used in smoothies and teas

White Peach

Delicately sweet with floral notes and low acidity
